

2006 Report to Our Community

THE UNITED CHURCH OF CANADA FOUNDATION / FONDATION DE L'ÉGLISE UNIE DU CANADA

BOARD CHAIR AND CEO'S REPORT

*"Raising money,
investing money,
giving money away."*

These seven words are the purpose of The United Church of Canada Foundation. We raise money from people with a passion for the future of the United Church. We prudently invest those gifts to build endowments that yield income to support God's mission through the United Church and its partners for generations to come.

Yet, the primary focus of our work is not money, or even the people who so generously share what God has given them. First and foremost, our work is the work of all God's faithful people – the transformation of our fragmented society into God's community of love, justice and abundance for all. In these pages, you will read about people throughout Canada making their gifts for present and future ministries through the Foundation. Each donor is unique. Yet they are one in their desire to empower God's people for ministry. Here are just a few of their achievements:

- Supporting a ministry to address violence and poverty amongst marginalized minority youth with \$52,000 in designated grants.

- Enabling grants to earthquake relief in Java, the Mission and Service Fund and an educational website with positive images and stories about Africa.
- Using the Foundation as an easy, efficient way to transfer over \$500,000 in gifts of appreciated securities to congregations rebuilding after fires, upgrading their facilities and expanding their capabilities for ministry.

Our endowment funds are now large enough that we will announce our readiness to receive grant applications in the spring of 2007. Every year afterwards, we anticipate being able to contribute more and more generously to God's mission through the United Church.

We are extremely grateful to those whose confidence in our work moves them to give to the Foundation, to invest with the Foundation, and to use its services for the work of the Church. As our endowment holdings

continue to grow, we will be able to do even more to fulfill our mandate.

Day by day, we hear our donors' enthusiasm for the potential of The United Church of Canada – not only for the present but also for generations into the future.

Thank you for your gifts.

Thank you for sharing the word about the Foundation and its work. Personal endorsements are vital in ensuring that our mission not only continues but grows with a vitality that befits our great denomination.

It is a great privilege to serve the church in this way and to witness the extraordinary generosity of God's people to The United Church of Canada Foundation.

PROMOTING ALTERNATIVE IMAGES OF AFRICA IN CANADA'S SCHOOLS

"Promoting Alternative Images of Africa in Canada's Schools" is a project of the Justice, Global and Ecumenical Relations Unit of The United Church of Canada, working in partnership with Canadian and African organizations. It is designed for teachers in elementary, secondary, church and other schools. Financial support from the General Endowment Fund and the Brian and Belva Piercy Fund of The United Church of Canada Foundation will help distribute resources to teachers so they can present images and information about African people and cultures that are not usually conveyed through mainstream media sources. Lesson modules will be distributed free of charge through the website of AfricaFiles, one of the partners in the project (www.africafiles.org).

EARTHQUAKE RELIEF IN JAVA

A grant from the Davey Family Endowed Fund supplemented the response of Action by Churches Together (ACT) to the May 27, 2006 earthquake in Java. ACT funding allowed local partners to respond immediately with food, clean water, emergency medical care and short-term housing, as well as to develop a longer-term response plan.

REBUILDING IN HOPE

Arsonists destroyed Minnedosa United Church on February 12, 2006. Flames even consumed the one thousand kilograms of food collected and stored for the local food bank. As worshippers began raising funds and interviewing architects, someone living 2,500 km. away asked The United Church of Canada Foundation to convey his generous gift to the church of his childhood.

BUILDING RELATIONSHIPS, ENDING VIOLENCE

Poverty and conflict are breeding a culture of violence among disadvantaged youth across our country. Last year, Kofi Hope, leader of the Black Youth Coalition Against Violence, signed on as the animator of a United Church program to build relationships and leadership among young people throughout Canada. Two anonymous donors poured over \$50,000 into this work of justice and healing through The United Church of Canada Foundation.

ABOUT OUR INVESTMENTS

The United Church of Canada Foundation has adopted the policy of socially responsible investing developed by The United Church of Canada. Under that policy, we have chosen to invest in a balanced pooled fund managed by Fiera YMG Capital. That company's predecessor, YMG, has served the United Church well for several years. The fund the Foundation has chosen adheres closely to the socially responsible investment requirements of the Church and the Foundation. In 2006, the Foundation's endowment funds earned 11.95%, with a management fee of just 0.2%

Such institutional funds are normally available only to institutions with significant assets to invest. However, because of its relationship with the United Church and the Foundation, Fiera YMG offers other United Church organizations – congregations, camps, colleges, Presbyteries and Conferences – the opportunity to participate in the balanced fund the Foundation has chosen.

By the end of 2006, 22 congregations and other United Church organizations working through the Foundation invested over \$9,500,000 in the Foundation's investment program. They too earned 11.95% on their investment in the year ending December 31. (The five-year average return on the fund was 9.59%) The administrative charge for congregations and organizations is just 1%. Of that modest fee, the Foundation retains 4/5 as a contribution to its own operational costs, while the manager receives the remaining 1/5 of 1%. The Foundation is delighted to offer this opportunity to enhance the stewardship of congregational and organizational endowments.

2006 Report to Our Community

THE UNITED CHURCH OF CANADA FOUNDATION / FONDATION DE L'ÉGLISE UNIE DU CANADA

"TO ME THE FOUNDATION IS A VOTE OF
CONFIDENCE IN THE FUTURE OF THE
UNITED CHURCH OF CANADA."

(an anonymous donor)

The people of The United Church of Canada are united in their hope for its future. Yet there is a rich diversity of lifetime experience, blessings received, and commitment to particular works. To honour the experiences, blessings and works that mean the most to you, the Foundation has three types of endowment funds. One of them will surely allow you to express your lasting gratitude for your United Church experience. All of them will help ensure that your United Church continues building Christian faith and changing individual lives.

A PROMISE FOR THE AGES

Contributing to an endowment fund turns the gift you make today into blessings that outlast your lifetime. Endowment gifts to The United Church of Canada Foundation are invested – in enterprises that support United Church values – so that they generate income to support ministries year after year, decade after decade.

Whether your gift is pooled with many others in our General Endowment Fund or a Mission Focus Fund, or stands on its own in a Personal Endowment Fund, it has enormous power. The Foundation is committed to reinvesting a portion of each year's income in the funds to help them keep pace with inflation. The funds thus strengthened in years of plenty provide reliable ministry support

even in lean years.

With an average investment return of 8%, \$100,000 of endowment funding will generate over \$1 million in grants over the next 80 years, while the endowment capital grows past \$500,000. Imagine the power of your generosity far into the future!

INSPIRATION

The General Endowment is an "Inspiration Fund" to respond to changing conditions and new ministry needs in any area. When the United Church was founded, television and the internet, for example, did not exist. Now, electronic communication, the United Church web site and the Vision TV program, "Spirit Connection," bring our own members together and proclaim faith and justice to the world around us. Through the General Endowment, you can join many other faithful people to nourish initiatives just as powerful as those.

CONTINUITY

You may want to be assured that your gifts will always support a specific kind of ministry. To sustain a continuing program area, you can choose among our Mission Focus Funds:

- **The Leadership Fund** training and supporting leaders, paid and volunteer;

- **The Theological Education Fund** supporting United Church theological schools and educational centres;
- **The Peace and Justice Fund** addressing peace, justice and environmental concerns;
- **The Faith and Mission Fund** strengthening faith in United Church communities and helping them meet the challenges of membership, mission and change.

CONNECTION

Throughout and even beyond your lifetime, a Personal Endowment maintains your connection to the organizations and causes you value. For example, some of the Foundation's Personal Endowment donors have created decades of annual support to their own congregations, to a non-profit housing complex, to peace and justice work, and to the Mission and Service Fund.

Join the donors listed in this report. They are just like you: people of ordinary means making extraordinary gifts, responding to a God who is beyond extraordinary.

ENDOWED BY THE GENEROUS, ENDURING FOR GENERATIONS: OUR DONORS

"The United Church of Canada Foundation is another reminder for me of the affirmation in our Creed:
'We are not alone.' It also is a tangible example that we are the result of the love of thousands.

The Foundation says to others, now and in generations to come,
"There were and are people who care about you.'" (a Foundation Board Member)

* Covenant Donors, indicated with an
asterisk, have given \$10,000 or more to the
Foundation's General Endowment and/or
Mission Focus Funds.

We rejoice as well in the generosity of those who have established Personal Endowment Funds within the Foundation. Such funds represent an everlasting commitment to the organizations the donors choose as recipients of the income. Active Funds are funds that have already achieved a capacity to make grants. Emerging Funds are created in stages and are growing towards grantmaking capacity.

PEOPLE TRANSFORMING THE PRESENT

Donors with a Flow Through Fund are able to make one gift, generally a gift of appreciated securities, to The United Church of Canada Foundation, and ask for it to be given right away to their congregations and other organizations they value. With that one convenient gift, they have the joy of supporting God's work in many forms, and the satisfaction of seeing their generosity make a difference immediately. We salute the donors who used Flow Through Funds to manage their generosity in a context of faithful stewardship.

ENABLING GOD'S MISSION: OUR GRANTS

2006 was the inaugural year of the Foundation's endowment granting program. The Board of Directors chose an innovative web-based educational project about Africa to receive support from the Foundation's General Endowment Fund. Other grants from Personal Endowment Funds honoured the terms of the Foundation's agreements with the funds' donors. The Foundation is proud to support the ministries of –

Bloor Street United Church, Toronto, ON
 The United Church of Canada, AfricaFiles Project
 The United Church of Canada, Java Earthquake Response
 The United Church of Canada, Mission and Service Fund

As well in 2006 the Foundation disbursed grants from forty-nine Flow Through Funds to organizations and projects of the donors' choice, including:
