United in Stewardship

Ever wonder about the differences between **Mission and Service** and the **United Church of Canada Foundation**?

Mission and Service is a single "unified fund", within the United Church of Canada.

The Foundation is a charitable organization, independent from the United Church of Canada, which holds many different funds.

While both deploy financial resources to make positive impact in God's world, each has a different (yet, complementary) approach.

Let's start with the "why" for each:

Why

Mission and Service is our **collective way of being God's presence** in the world. It helps us advocate for change, justice, and peace in Canada and around the world.

Why

To foster deep spirituality, bold discipleship and daring justice.

The United Church has an important role to play in the world's future. The Foundation's work supports that **future!**
