

## History

On June 10, 2025, The United Church of Canada and its communities of faith will mark a significant chapter in the story of our denomination: the 100-year anniversary of church Union. The centennial is a testament to the enduring strength, resilience, and commitment to and of its community and faith; a time to celebrate accomplishments, progress in healing, and the spirituality that sustains us.

## About

As the United Church of Canada approaches the centennial, many communities of faith will be eager to plan and hold services, events, and activities in celebration. The Foundation has recognized the need to support these groups by establishing the **Centennial Granting Fund**. This program emphasizes the importance of uniting to commemorate this historic achievement together and will provide funding for events designed to mark the milestone moment. The creation of the **Centennial Granting Fund** represents a tangible expression of solidarity, support, and celebration.

## Eligibility

All United Church ministries, communities of faith/congregations and other organizations undertaking special events to commemorate the United Church of Canada Centennial are eligible to apply.

## Program Criteria

The **Centennial Granting Fund** will grant up to \$100,000 total from the United Church of Canada Foundation General Fund and will provide grants across four granting rounds.

Submissions for each round are due:

- September 15, 2024
- December 15, 2024
- March 15, 2025
- June 15, 2025

The maximum grant amount available per group is \$5,000, to ensure as many groups as possible across the church can receive support.

Successful grantees will be encouraged to share photos, video, and other media/materials created for or resulting from the event, however formal reporting is not a requirement.
